1. Service Overview

Dr Y.S.R Aarogyasri Trust under the Government of Andhra Pradesh is providing Aarogyasri cards to citizens to avail of health benefits in various hospitals in Andhra Pradesh.

The GVWV & VSWS department has taken up two new services under the Aarogyasri cards:

- i. Health card dispatch status updation
- ii. Aarogyasri health card eKYC for delivery

The dispatch status updation should be completed by the Digital Assistant (DA) once the health cards are received in the secretariats from the printers.

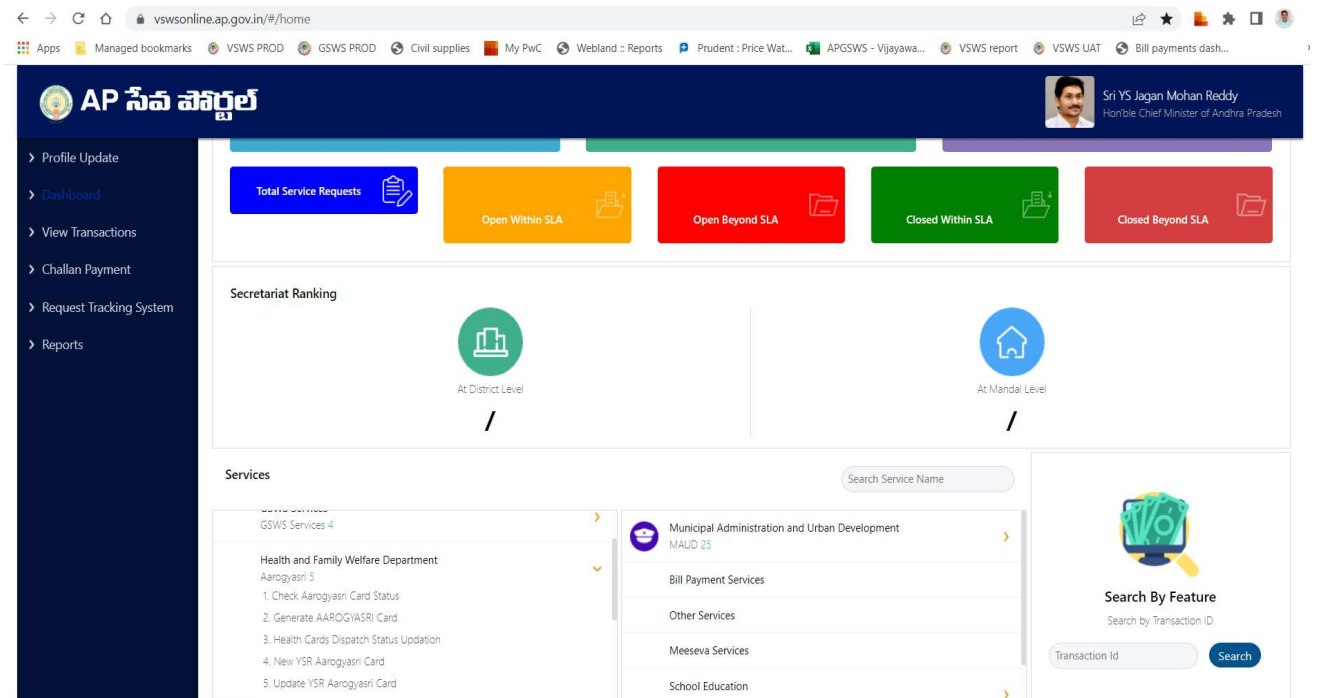

After the health cards are delivered to the secretariats the DA will inform the volunteer to deliver the cards to the doorstep of the citizen, after completion of the biometric verification of one of the family members. The eKYC module is present in the volunteer mobile app.

2. Health card dispatch status update

a) Enter the URL <https://vswsonline.ap.gov.in/#/home> and log in to the portal using your credentials.

b) Got to services, Click on Health and Family Welfare Department and select Aarogyasri services

- c) Click on the service “Health cards dispatch status updation” and the service screen will load as shown below. The status of the health card requests raised in his/her secretariat with the dispatch date and consignment numbers will be shown.

e) The confirmation will be successfully submitted as shown below, and the health card should be given to the volunteer to deliver it to the citizens.

The screenshot displays the AP Sahakar portal interface. At the top left, the logo 'AP సహకార' is visible. The user is logged in as 'Sri YS Jagan Mohan Reddy, Hon'ble Chief Minister of Andhra Pradesh'. The user's name 'Hello, Meena' and role 'Panchayat Secretary Grade-VI (DA)' are shown. A navigation menu on the left includes options like Profile Update, Dashboard, Reports, View Transaction, Challan Payment, and Request Tracking System. The 'List Of Services' section is expanded to 'Application Submission'. A central alert box states 'Alert: Application submitted successfully' with an 'Ok' button. Below the alert is a table of health card requests.
