Commonly Asked Questions.

- Is it the headmaster responsibility to close the issue? - No. Secretariat Functionary will close the issue. Wherever needed, headmaster can lend a helping hand, but onus is on the functionary to close it.
- “Some issues are beyond our scope, how should we close them?” - There is an option “Unable to complete”. For reasons that could not be solved at the local level, please close it as unable to complete.
- I have taken the inspection in the school, but it is not reflecting in the dashboard. The inspection numbers take time to reflect (ANM upto 1 day, rest of the functionaries upto 1 hr).
