

# How To Print Pension Card In Epson (M200) Printer

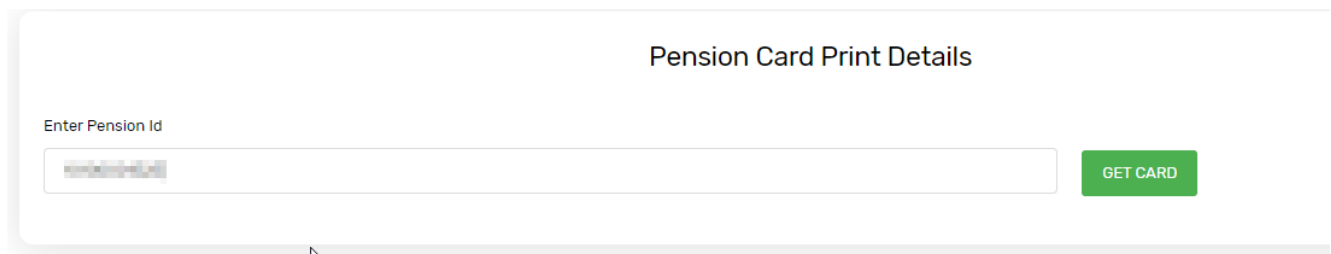

*Disclaimer: This document is purely for educational purpose only*

Step 1: After logging into GSWS site search "**Pension**" in search box to find out the "**Pension Card Printing**" option as shown in fig.

The screenshot shows a search bar with the text "pension" and a magnifying glass icon. Below the search bar, there is a purple header for "Panchayat Raj and Rural Development". Underneath, a list of options is shown under the heading "Rural Development (6)". The options are: "New Pension Grievance List", "Pension Beneficiary List", "Pension Card Printing" (highlighted with a red box), "Pension Endorsement", and "Pension Social Audit".

Step 2: After selecting the "**Pension Card Printing**" option, a new tab will be opened where you have to enter the "**Pension ID**" as shown below fig.

The screenshot shows a form titled "Pension Card Print Details". It has a text input field labeled "Enter Pension Id" with a placeholder "XXXXXXXXXX". To the right of the input field is a green button labeled "GET CARD".

Step 3: After entering the pension ID Select **“Get Card”**, the card details will be displayed as shown in the below fig. Now select **“Print”**.

Pension Card Print Details

Enter Pension Id

Step 4: After Selecting the **“Print”** option new tab will be opened (if **Print Preview** is **Opened, Cancel** it) which will look like as shown in below fig.

Step 5: "Right Click" on the mouse and select "Inspect Element".

Step 6: Go to line 4 from the top (or simply search "Container" using CTRL + F) and Select the line.

Step 7: Double click on “Style” and add “margin-left: -275px;” after color:#000; and press “Enter”. Make sure you copy the red text (including the ;) and paste in browser as shown below.

```

Elements Console Sources Network Performance Memory Application Security Lighthouse
<body onload="window.print()">
  <div class="container" style="margin-top: 20px !important;color:#000;margin-left: -275px;" == $0
    <div class="row pension-card">
      <div class="col-sm-12">
        <div class="row justify-content-center">
  
```

Step 8: After pressing the “Enter” you might be seeing the card moving to left side of the screen. Now “Right Click” on the mouse and select “Print” option.
